### PROGRAM

**The American University of Rome, Auriana Auditorium, Via Pietro Roselli 16**

|             |  |   |
|-------------|--|---|
| 9:00-9:30   | Registration at the main garden gate of campus (Via Pietro Roselli 2)                |   |
| 9:30-9:45   | Welcoming remarks, Auriana Auditorium  | Richard Hodges, President AUR   |
| 9:50-10:20  | Diets and Cuisines in Biocultural Landscapes   | Chair: Maria Grazia Quieti<br>Keynote speaker: Harriet Friedmann, Professor Emerita of Sociology, University of Toronto |
| 10:20-10:50 | The Mismatch of Food System Dynamics and Diet: forward to the past or something new? | Keynote speaker: Tim Lang, Professor of Food Policy, City, University of London   |
| 11:00-11:30 | Coffee Break, AUR garden   |   |

|             |   |  |
|-------------|---|--|
| 11:30-13:30 | <b><u>Parallel Sessions, AUR main campus</u></b>                | <b><u>Classroom Number</u></b>             |
|             | 1. Sustainable Diets: Operationalization and Impact             | Garden 1                                   |
|             | 2. Consumers and Healthy Diets                                  | Garden 2                                   |
|             | 3. Food Procurement and Role of Institutions                    | B-105                                      |
|             | 4. Food Systems Sustainability; Social and Technical Approaches | B-106                                      |
|             | 5. Sustainable Agricultural Production                          | B-104                                      |
|             | 6. Sustainable Spaces and Scaling                               | B-204                                      |
|             | 7. Bio-Cultural Resources and New Farming Practices             | B-205                                      |
| 13:30-15:00 | Lunch, AUR garden   |  |
| 15:00-17:30 | Reports by the seven parallel groups<br>Auriana Auditorium      | Chairs: Maria Grazia Quieti<br>Maria Fonte |
| 17:30-18:00 | Rapporteur  | Colin Sage                                 |
| 18.00-19.00 | Mix and mingle - Farewell drinks                                |  |

---

## PARALLEL SESSIONS

The American University of Rome – Via Pietro Roselli 2

---

### 1. Sustainable Diets: Operationalization and Impact

---

Chair: Diego Rose  
Rapporteur: Bálint Balazs

**FISCHER, Christian** Avoiding Malthus 2.0: the links between human diets and health and climate outcomes in the world's macro-regions during the last 50 years

**HOEY, Lesli**  
**SHIRES, Anna**  
**JUDELSON, Anna**  
**KHOURY, Colin**  
**THI, Thanh Duong**  
**BINGE, Brenda**  
**JALANGO, Dorcas**  
**OSIEMO, Jamleck**  
**TRINH, Huong**  
**HUYNH, Tuyen**  
**DE HAAN, Stef**  
**GIRVETZ, Evan**  
**HELLER, Martin C.**  
**JONES, Andrew D.** Institutional and data limitations to operationalizing sustainable diets: Perspectives from Kenya and Vietnam

#### 4. Food Systems Sustainability: Social and Technical Approaches

---

Chair: Milena Stefanova  
Rapporteur: Tara Kenny

**DAL GOBBO, Alice**  
FORNO, Francesca  
MAGNANI, Natalia

Food, Sustainability and Digital Platforms. Understanding the role of social and technological innovations in sustainable consumption

**KHAJEHEI, Forough**  
PIATTI, Cinzia  
GRAEFF-HÖNNINGER,  
Simone

Sustainable diets and novel food technologies

**ORSTE, Lina**  
OZOLA, Lasma  
LEMBERGA, Krista  
KILIS, Emils  
ADAMSONE-FISKOVICA,  
Anda  
GRIVINS, Mikelis  
TISENKOPFS, Talis

Conceptualizing and Identifying Social Innovation in Agri-Food Systems

**STEFANOVA, Milena**  
IANNETTA, Massimo

Revisiting the theory of change of Life Cycle Assessment: how Life Cycle Thinking contributes to food sustainability?

SAGET, Sophie  
PORTO COSTA, Marcela  
STYLES, David  
**WILLIAMS, Mike**

Environmental Life Cycle Assessment of Durum Wheat Pasta and Chickpea Pasta

**GIORDANO, Claudia**  
CICATIELLO, Clara  
PANCINO, Barbara  
FALASCONI, Luca

Research and policy path towards the reduction of food waste in Europe: a preliminary assessment

**KENNY, Tara**

The implications of the charitable food system in the quest for sustainable diets

---

#### 5. Sustainable Agricultural Production

---

Chair: Paola Termine  
Rapporteur: Boldizsár Megyesi

**JÓNSDÓTTIR, Salvör**

Moving towards sustainable food production - starting with agricultural land classification

**NELSON, Lauren**

Natural Resource Management in Hawaii

|  |  |
|--|--|
| <b>TERMINE, Paola</b><br>NAWAR, Mohamed          | Sustainability of agro-food systems and rural migration. An analysis of the “missing link” between agricultural development and the migration decision in Egypt. |
| <b>KOVÁCH, Imre</b><br><b>MEGYESI, Boldizsár</b> | Between individual and community values: Factors influencing food self-provisioning in Hungary   |
| <b>DOURIAN, Tara</b>                             | Re-peasantization strategies: Potential catalysts for dietary sustainability?  |
| <b>CRAVIOTTI, Clara</b>                          | Exploring the feasibility for transitions towards a sustainable food system in the Argentinean foodscape   |

---

## 6. Sustainable Spaces and Scaling

---

|  |   |
|--|---|
| Chair:   | Georgi Boykov   |
| Rapporteur:  | Giampiero Mazzocchi   |
| <b>BOYKOV, Georgi</b>  | Deurbanization as possibility for sustainable food systems                                    |
| <b>FODOR, Kata</b>   | Kitchen Think-Over: Towards an Architecture & Urban Design for Sustainable Diets              |
| <b>LÓPEZ CIFUENTES, Marta</b><br>FREYER, Bernhard  | Identifying drivers of Vienna’s Urban Food System: towards a sustainable diet                 |
| <b>MAZZOCCHI, Giampiero</b><br>MARINO, Davide  | A Food Policy for Rome: the path for the transition towards a sustainable Roman food system   |
| <b>AZZINI, Elena</b><br>BARNABA, L.<br>INTORRE, F.<br>CIARAPICA, D.<br>VERRASCINA, M.<br>ZANETTI, B.<br>MONTELEONE, A.<br>POLITO, A. | Sustainable food production and consumption in a restricted area within Majella National Park |
| <b>COTTINO, Gaia</b>   | "We are the food Talibans". Building sustainable food systems in the Italian Western Alps     |
| <b>LÅNGVALL, Annica</b><br>WALTER, Ute<br>MÜLLER, Dieter<br>BENGS, Carita  | Culinary Spaces in Northern Sweden and its implications for regional sustainable development  |

---

## 7. Bio-Cultural Resources and New Farming Practices

---

Chair: Filippo Randelli  
Rapporteur: Valentina Peveri

HUNTER, Danny  
BORELLI, Theresa  
WASIKE, Victor  
SAMARASINGHE,  
Gamini  
MOURA DE OLIVEIRA  
BELTRAME, Daniela  
SALANTUR, Aytan  
**GEE, Eliot**  
MINES, Anna  
TARTANAC, Florence

Neglect me not: plants of the past are foods for the future

IVANOVA, Teodora  
GANEVA-RAYCHEVA,  
Valentina  
BOSSEVA, Yulia  
**DIMITROVA,  
Dessislava**

Agrobiodiversity in rural Bulgaria – plant genetic resources and biocultural transformations

**PEVERI, Valentina**

From the Standpoint of an Ethiopian Plant: Reflections upon *Radical Sustainability*

**LAZZARINI, Gianna**  
CURRAN, Michael  
BAUMGART, Lukas  
SCHADER, Christian

Sustainability, who cares? Identifying drivers of farm sustainability performance in organic farms in Switzerland

ROCCHI, Benedetto  
**RANDELLI, Filippo**  
CORSINI, Lorenzo  
GIAMPAOLO, Sabina

On-farm and regional factors affecting the decision of direct selling in Italy.

**CANAL VIEIRA,  
Leticia**

The contribution of Australian alternative food networks to sustainable food consumption practices
